

2005
Mourvedre
Reserve

Notes by Winemaker Tom Jones	Wine Facts
<p>This lovely Rhone varietal does very well in our mountain-grown vineyards. It has a 'spicy' nose of black pepper, anise, cherry, and clove framed by nice, sweet oak. The taste is lush and rich with well-integrated, gentle tannins. Blended with 12% Cabernet Sauvignon, 6 % Zinfandel and 2% Barbera.</p>	<p>Vineyard: Granite Hill and Spanish Creek Harvest date: October 25, 2005 Bottled: February 17, 2007 Released Date: November 25, 2008 Alcohol: 14.6% Barrels produced: 9</p>
