

2005
Petite Sirah
Granite Hill
Reserve

Winemaker Notes	Wine Facts
<p>Our deeply colored wine has an intense nose of blackberries, blueberries, anise, and chocolate. It is rich and plummy in the mouth with raspberry and cherry fruit flavors. There are sweet French oak tones from the 18 months of barrel aging. Our Granite Hill vineyard consistently produces the best Petite Sirah in California.</p>	<p>Vineyard: Lava Cap's Granite Hill Harvest date: October 17, 2005 Bottled: September 20, 2007 Alcohol: 14.9% pH: 3.77 Cases produced: 1471 Released date: August 1, 2008</p>
