

**2005
Zinfandel
Reserve**

Winemaker Notes	Wine Facts
<p>With a lovely nose of berry, leather, and sweet oak, this elegant wine has a rich, lush texture, soft tannins, and a lingering finish. Aged in French and American oak for one year then blended with 2% Cabernet Franc.</p> <p>Our Zinfandel vineyard starts on the north-facing side of a draw, crosses the coo, low point and then climbs a south-facing slope. This creates a range of growing conditions and necessitates up to five picking days to obtain optimally ripe grapes.</p>	<p>Vineyard: Lava Cap Harvest date: October 4, 2005 Bottled: August 10, 2007 Alcohol: 15.1% pH: 3.81 Cases produced: 1372</p>
