

2006
Mourvedre
Reserve

Winemaker Notes	Wine Facts
<p>This lovely Rhone varietal does very well in our mountain-grown vineyards. It has a 'spicy' nose of black pepper, anise, cherry, and clove framed by nice, sweet oak. The taste is lush and rich with well-integrated, gentle tannins. Blended with 20 % Merlot and 4% Zinfandel to add to the mouth feel and finish.</p>	<p>Vineyard: Granite Hill Harvest date: October 10, 2006 Bottled: September 1, 2008 Alcohol: 14.6% Barrels produced: 11</p>
