

LAVA CAP

WINERY

ABOUT LAVA CAP

Founded in 1981, Lava Cap Winery is a third generation family farm, located in the Sierra Foothills, at an elevation of 2,700ft. The winery and Estate Vineyards are located on a unique outcropping of volcanic soil, the inspiration for the wineries name. The result of elevation and distinct soils are wines that erupt with flavor.

VINEYARD NOTES

Grown on the banks of the American River, at an elevation of 1,200ft, this is the lowest elevation location we make wine from. The vineyard lies deep in a river valley, on raw granitic soil where warm days are met with cool nights from air draining down from the Sierra Nevada high above.

WINEMAKER NOTES

The 2020 Sangiovese greets us with a bright ruby appearance. Strawberry and a touch of thyme aromas highlight pleasant fruit flavors. The palate remains fresh with natural acidity and light tannins. Vanilla and leather notes linger to a soft finish.

TECHNICAL INFORMATION

Harvest Dates: Early October 2020

Vineyard: Matagrano

Elevation: 1,200'

Aging: 18 Months in 2nd fill Francois Freres French Oak

Cases Produced: 800

Alc: 14.3%

PH: 3.65

TA: 6.5
