

LAVA CAP WINERY

2020 ESTATE SAUVIGNON BLANC

ABOUT LAVA CAP

Founded in 1981, Lava Cap Winery is a third generation family farm, located in the Sierra Foothills, at an elevation of 2,400FT-2,700ft. The winery and Estate Vineyards are located on a unique outcropping of volcanic soil, the inspiration for the wineries name. The result of elevation and distinct soils are wines that erupt with flavor.

VINEYARD NOTES

The Sauvignon Blanc is from one of our oldest blocks, planted adjacent the winery on shallow soil. The gnarly, old vines, which are now nearly 40 years old, continue to produce vibrant, expressive Sauvignon Blanc year after year.

WINEMAKER NOTES

Wild yeast are used to ferment this wine over a long period at low temperatures. The wine is aged on its fine lees in stainless steel tanks for one year prior bottling, with no malolactic fermentation taking place.

TECHNICAL INFORMATION

Harvest Dates: Early September 2020

Vineyard: Lava Cap Estate

Elevation: 2600ft

Aging: 12 months, 100% stainless steel

Cases Produced: 1200

Alc: 14.3%

PH: 3.2

TA: 7.0
